AUD = Admission to Upper Division

I have been advised of all course rotations. All business courses in the General Education Core, Business Administration Lower Division Core, and Business Administration Upper Division Core are offered in the Fall & Spring semesters. The first seven courses in the Accounting Major block are offered in the Fall & Spring semesters, and at least one of the Accounting Electives is also offered in the Fall & Spring semesters. Summer courses are not guaranteed for ANY block. I will schedule periodic appointments with my advisor for updates and specific course offerings. _____

It is the student's responsibility to seek the official Catalog for requirements, guidelines and deadlines and for full description of all course prerequisites to be able to schedule course selections appropriately. _____
