

Upward Bound Math & Science Program

Explore and Discover Math & Science UBMS Style

Trips to NASA, Dolphin Watch, Sea World, College Visits and many more...

What is UBMS?

The Upward Bound Math & Science Program (UBMS) is a 4 year college preparatory program funded by the U.S. Department of Education and sponsored by the University of Texas at Brownsville and Texas Southmost College. The Upward Bound Math & Science Program enhances math and science knowledge through project based learning experience and creates an opportunity to explore math and science careers through workshops and field experiences. Those who are selected for participation must be willing

Be part of the UBMS Family

Don't be left out!

to dedicate themselves to hard work and commitment to the project. The Upward Bound Math & Science Program will also assist high school students to become successful college students and positive role models in their respective communities.

Have fun while attending:

- Field Experience Trips
- Community Service Events
- Parent Meetings / Banquets
- After-school Mentoring and Tutoring
- Academic, College, and Career Awareness Lunch Sessions (Lunch is provided)
- Saturday Workshops with intensive math and science activities
- A 6 week summer enrichment program at UTB/TSC that will prepare you for the next school year.
- Dual / Concurrent enrollment at UTB/TSC

UBMS will get you a MILE ahead of your peers!

Participation will

- get you prepared for the THEA / SAT / ACT Tests
- assist you with college financial aid & scholarships
- assist you with the college application process
- provide opportunities for community service and hands-on projects
- involve you in math and science fairs/competitions
- develop and enhance leadership, communication and teamwork skills
- allow you to meet community leaders through special functions
- help you choose the right career for you
- make you aware of all possible jobs available in your field of study
- participate in field experience trips such as NASA, Sea World, The Alamo, College Visits, Comedies, Plays, and many more...

To have fun UBMS style you must be...

- A high school student from Harlingen or San Benito C.I.S.D.
- Low-income and/or first generation college students. (First-generation college students are those who have had neither parent complete a bachelor's degree in the United States.)
- Citizens of the United States or permanent resident aliens.
- Students interested in a math and science college career.
