

SABAL PALMS LOG- 5/23/2009

I can't write.
Forget it.
You must be kidding.

I am still half asleep.
I need coffee.
Anyway, the breakfast breads are way too enticing.
Not now, gotta interview Dorothy.
...and I'm busy stressing about newspaper sections.

Not gonna write.
Not gonna happen.
I gotta fill out this writer's survey.
Shh. Lyon's talking.
...and I'm tryin' to learn something about the National Writing Project.
Hold up! I NEED to know about the course requirements.

Can't that wait?
I'm on break.
Writing on break?
I don't think so.

Can't you tell I'm busy?
Kay is showing us how to inspire writing by reading good literature.
Stop being a pest!
I'm reading.

Did you hear that?
My stomach is rumbling.
It must be lunch time.
You better just talk to the hand,
I'm eating.

Can you hang on a minute?
Mary Beth is demonstrating how to teach our students how to understand informational text features.
Hold that thought.

I have to figure out what I want to help my students with.

No way I'm writing now.
Paula's tellin' us about the demos
...and I just gotta get a good slot on the sign-up sheet.
Whoa! Hold your horses.
Writing can wait.
If I don't listen to this,
I'm not gonna have any idea what the writing requirements are for this course.

What's that.
Time's up? Uh oh!
See, I told you I can't write.
